RAILWAY INTERESTS.

THE COLORADO POOL.

DECISIONS OF THE ARBITRATOR ON THE POOL RATES.

Boston, Aug. 21.—A meeting of several representatives of the railroads interested in the Colorado pool was held at the office of the Alchison, Topeka and Santa Fe Railroad here to-day, but little was done because not all the interested persons were present, and another meeting will be held to-morrow. Decisions of several points in reference to the pool have been given to the roads interested by the arbitrator, Joseph Tucker. First, he decides that coal carried by the Chicago, Burlington and Quincy Railroad from Denver to eastern points should be pooled; second, that switching charges for switching cars from Pacific Junction to Council Bluffs on freight transferred from the Chicago, Burlington and Quincy Railroad to the Union Pacific Railroad must be paid for by the Union Pacific; third, that the percentages in the Colorado pool between April 2 last and July 1 should not be rearranged; the Alchison, Topeka and Santa Fe and the Denver and Rio Grande roads asked for an increased percentage on account of the order of the United States Court compelling them to operate their business as one line; the Denver and Rio Grande road; fourth, that the earnings on high explosives when are carried by the Chicago, Burlington and Quincy Railroad should be pooled; fifth, that the Santa Fe, not by the Union Pacific, should not be pooled.

THE NEW-JERSEY CENTRAL BONDS.

At a meeting of the income bondholders of

The Central railroad of New Jersey yesterday announced the new debenture bond proposed by the company was accepted, and the committee was authorized to complete the arrangements for the adjustment of the income-bond debt. The exchange of the bonds will be made at the office of the company, as soon as the new bonds are ready for delivery, and the payment of the half per cent, which is to be in money, will be made through William Alexander Smith & Co. It is understood that more than one-half of the income bonds has assented to the adjustment and little doubt as to the action of

CHICAGO, Aug. 21.—The managers of the east-bound roads held a meeting here to-day, and decided from now to July 1, 1894, to devote the business to those roads that have fallen behind the percentages.
